

RAISE \$10,000 FOR YOUR CLUB AND HELP GET THE COMMUNITY ACTIVE!

The Sports Rewards Foundation is pleased to present Sportember (the month formerly known as September). The month is dedicated to celebrating the true benefits of participating in grass-roots sport and engaging in a healthy lifestyle.

WHAT HAPPENS IN SPORTEMBER?

30 Day Lifestyle Challenge

Exercising for 30mins a day for 30 days!

- ★ Encourage players, supporters and sponsors to register for the challenge – its free!
- ★ They generate sponsors for their quest from friends, family and work colleagues (much like men growing a 'Mo' in Movember). For every \$5 a person contributes they get one ticket in the draw of our major raffle – the chance to win lunch with their favourite sports star!
- ★ So help your club and help get the community fit, active, and healthy all at once!

National Sports Day

- ★ All Australians are encouraged to wear their favourite teams sporting gear to work one day in the month of Sportember that the workplace agrees upon.
- ★ There is a small \$10 registration fee (which gives you some great gifts and a ticket in the draw to win lunch with your favourite sports star)

Donation of used sporting equipment

- ★ Everyone has used sports gear at home that could be utilised by someone less fortunate. Make your club a drop off point and encourage all members to drum up some gear to donate!

100% of the profits raised by participants introduced by your club for options 1 or 2 above goes to your club! Just 20 committed members for the 30 Day Lifestyle Challenge could raise in excess \$10,000 for the club!

To register or find out more visit www.sportember.com.au or to request a marketing pack to spread the word amongst your members please email: admin@sportsrewards.org
