TAX DEDUCTIBILITY

Monies donated to Variety Queensland Inc. by individuals are generally tax deductible, provided they qualify as an unfettered donation, that is, the donor can prove that they have received no value in return for the donation. Similarly, an unfettered donation by a company not being associated with an advertising or promotional activity would normally be tax deductible.

Sponsors and entrants should accordingly be aware that the following are PERSONAL ENTRANT EXPENSES and are not to be accrued through sponsors as donations as they are not deductible as donations and are subject to GST.

- (i) Any entry fee;
- (ii) Meal costs;
- (iii) Accommodation costs;
- (iv) Vehicle purchase preparation, maintenance and running costs;
- (v) Merchandise purchases;
- (vi) Travel costs;
- (vii) Car cartage costs.

Depending on the ownership and normal use of the vehicle, some or all of the above costs may be claimable.

These comments are to be taken as guidelines only. Variety Queensland Inc. is not a tax consultant and therefore assumes no liability for actions taken as a result of these guidelines. In any instances where an entrant or a sponsor is uncertain of tax implications of their involvement, they should consult their own accountant or tax adviser.

IMPORANTANCE OF SPONSORSHIP

Sponsorship is vital to the success of the Event and in turn the ongoing achievements of VARIETY QUEENSLAND INC.

Without the backing of sponsors there would not be an Event. Their generosity enables entrants to keep their vehicles on the right track. There are several sponsorship opportunities available. Please contact the Motoring Event Department on (07) 3368 3321 for further information.

WHAT ARE THE MOTORING AND OCEANGOING EVENTS?

The XXXX Gold Variety Bash, Variety 4WD Explorer, The Variety Jet Trek, The Blue Lagoon Variety Fiji Splash and the Gold Coast City Marina Variety Splash, are organised by Variety Queensland Inc to raise funds for sick, disabled and disadvantaged children living in Queensland.

The Events are NOT about a race or rally in the usual sense.

Officials may be bribed and they can issue on the spot fines (donations) to entrants for any number of reasons.

There are no cash prizes for the winner, who is determined by a system which allows for cheating and bribing.

Awards are presented to those who have raised the most money and to those who entered into the spirit of the Event and other such meaningful reasons.

There are only two major rules in the any of the Events...

DO NOT take it seriously and the Event Director's decisions are final.
